

			Year 1												Year 2							Year 3													
			J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M
	Objective																																		
1	Literature review and Project planning																																		
1.1.	Literature review																																		
M1	Milestone 1st year - Literature review																																		
1.2.	Scope & goal setting																																		
1.3.	Data Exploration	O1																																	
1.5.	Training - Graph Theory	O4-5																																	
1.6.	Training - Matlab and source analysis	O4																																	
1.7.	Training - Advanced Graph Theory	O4-5																																	
1.8.	Software training - Python	O5																																	
M2	Milestone 1st year - Progression Paper																																		
1.8.	Defining the Theoretical framework																																		
2	Data collection																																		
S1	Secondment EA																																		
2.1.	Secondary data: EA - WIMS	O1																																	
2.2.	Secondary data: Ukwir - CIP2	O1																																	
2.5.	Field data - pilot study	O3																																	
2.4.	Field data collection UK	O3																																	
S2	Secondment Vienna																																		
2.5.	Field data collection Vienna *1																																		
3	Data analysis and model development																																		
3.1.	Data exploration	O1																																	
3.2.	O2. Data analysis	O2																																	
3.3.	Multi-scale analysis	O3																																	
3.4.	Source analysis	O4																																	
3.5.	Develop network graph	O5																																	
3.6.	Graph analysis	O5																																	
4	Thesis writing & dissemination																																		
M3	Milestone 2nd year																																		
4.1.	First paper (Theoretical framework)																																		
4.2.	O2-O3 Results paper																																		
4.3.	O4/O5 Results paper																																		
4.4.	Thesis writing																																		
M4	Milestone 3rd year																																		
4.5.	Thesis revision																																		
4.6.	Outreach events
